Capt Walker, Fort Devens, Wins National Rifle Meet

WASHINGTON, D C, Aug 3—The five years Capt Tyler J. Walker of the U. S. Dental Corps, now stationed at Fort Devens, has spent competing in rifle matches in all corners of the country from Texas and Oregon to New England, paid him dividends today when it was announced by the National Rifle Association that he had placed first in the annual national small bore rifle match at 50 and 100 yards with metallic sights and second in the 50-meter event. His winning score of 399 out of 400 possible points was one point better than his nearest competitors were able to compile.

In the three years he has been stationed at Fort Devens, Capt Walker has earned a ranking among New England's leading shooters and is now serving as a director of the Massachusetts Rifle Association.

Dear Mr. Blair:

Inclosed please find the following L tickets,

and these are sold at the same price.

These are all the scores I shot. I don't know what ^{pistol} medal
they will win and it is really immaterial to me what medal
I receive. I suggest that the Treasurer deliver me the
highest medal which he has on hand to which I am entitled
by these scores. Next year, when I have more than a few
weeks, I will try to make the Club lose some money.

With best wishes for a glorious 1920.

Very truly yours,

Dear Wallace:

In reply to your letter of February 28th will state that I have read the minutes of the M. R. A. from the time Mr. Marshall won his cup to the present date. The only entries I have found which relate to this matter are as follows:

Jan. 2, 1917.

Voted: That Mr. Harry Marshall be awarded a cup for his score of a possible with 10 shots at 50 yards--22 caliber rifle, in the N. R. A. League outdoor match 1916, 1 inch 10 ring.

Mar. 6, 1917.

Voted: That the cup awarded to Mr. H. R. Marshall for his possible score at 50 yards, 22 caliber rifle be limited to \$5.00 in cost. The style and making of the cup to be at the discretion of the Prize and Match Committee.

Very truly yours,

Malcolm F. Partridge

Friend Hosmer

Yours of the 16th received —

The scores you found were the five best tickets shot previous to Feb. 22.

On that date I shot another 213 with the 22 H.P., cutting out the 205+ — making the Total score as I remember it, as follows —

$$212 + 5 = 217$$

$$212 + 5 = 217$$

$$221 + 5 = 226$$

$$213 + 0 = 213$$

$$213 + 0 = 213$$

1086

I understood that Mr. Heidner

had two or three points more than this total, and congratulated him as the winner of the cup.

Having no further interest in the matter, I threw away the tickets I shot on Feb. 22nd, but Wallace should have the duplicates. Hoping to see you at the range on Saturday (20th) I remain

Very sincerely,
John E. Kelley

Melrose, July 12th 1920

My Dear Mr. Hosmer,

I am enclosing
the tickets for three scores
of 99 and two 98s.

Naidner & Gerrish won
second & third place respectively.
I talked with Gerrish by phone
regarding Directors Match, and
will confer further with the
others, and trust that it can
be arranged to the satisfaction
of all concerned.

Very Truly Yours.

Dear Wallace:

I enclose herewith five tickets
on the automatic pistol match rating medals
which I believe entitles me to the 272 medal.
These tickets score 272, 273, 274, 275, 277. I
shot one of these tickets August 6 for 273.

On Saturday afternoon, last,
I went to the Hill with Dr. Bastey and used
his automatic and got these four tickets
better than 272 in five tries. The other
target was a 270. They certainly came easy.
I am trying to figure out whether it has
been the gun's fault or whether I had an
exceptional streak of luck. I kept the targets
and they are hanging up in the range house ~~on~~
~~the hill~~. I thought you would like to see them
as I don't imagine I will ever do such shooting
again.

I was wondering if you had made
the rifle team. Why don't you drop around
occasionally? I hope to see you some time.

With kind regards, I remain

Yours very truly,

Ed
